

Cultural Competency for Corporations

Human Resources Training Options

Hispanic Cultural Competency
An introduction to building cultural awareness, includes information on Hispanic influencers and immigrant Hispanics.
The Latino Workforce
Designed to help employers better understand the Hispanic employee and how to attract, develop and retain these employees.
Latino Employees: How to Excel in the Corporate Workforce
A foundation for employees who are new to the workforce or corporate culture with tips about appropriate dress, business etiquette, networking, benefits, professional development, and more.
Tailored education to meet your needs
The Dallas Concilio can meet individually with a representative from your company to modify a training to better address the needs of your company and employees.
